

CELEBRATING 20 YEARS!

2020 marks the Afterschool Alliance's 20th anniversary and as the leading voice for afterschool programs, we're especially proud of all we've accomplished. We're celebrating our partners, reflecting on the progress we've made, and looking ahead to ensure that all kids who want an afterschool program have the opportunity.

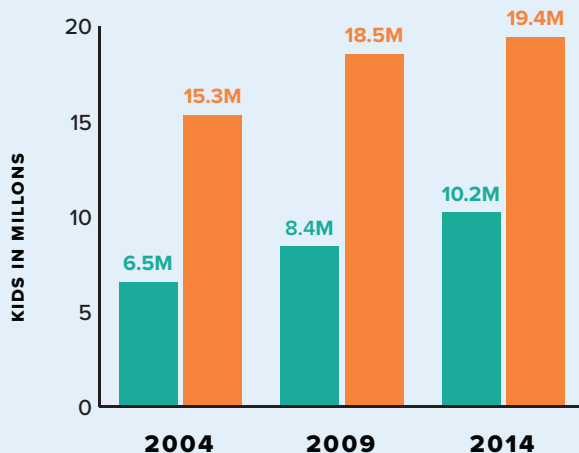

The number of youth in afterschool programs has almost doubled, and demand for programs has kept growing.

KIDS PARTICIPATING

KIDS WAITING

21st Century Community Learning Centers (21st CCLC) funding for afterschool and summer programs has expanded to serve more children and families, despite repeated attempts to eliminate the program.

21st CCLC funds, supporting afterschool and summer programs in low-income communities, **grew 176%**.

2000		2020
\$453 million		\$1.25 billion
400,000 students		1.7 million students

Our growing coalition of partners, advocates, and parents has advanced major policy wins to help students learn and grow through afterschool programs.

2001	21 st CCLC expanded to provide funding for all 50 states
2005	House and Senate Afterschool Caucuses created
2010	Secured afterschool meals for students in all 50 states
2015	21 st CCLC strengthened with emphasis on quality and supporting the whole child
2016	America COMPETES Act passes, supporting STEM afterschool partnerships
2018	Career and Technical Education (Perkins V) Act includes afterschool providers as key partners
2020	Funding for afterschool reaches all-time high

Advancing afterschool takes partners at every level and the united voices of many. We're proud to have supported the afterschool movement for 20 years.

LOOKING AHEAD WE ARE

deepening our commitment to expand afterschool and summer opportunities
wherever children live and learn, with respect for every child's needs and identity.

ensuring that underserved communities—where the unmet demand for programs is often the greatest—have access to quality, affordable afterschool and summer opportunities.

bringing the latest on social and emotional learning and the science of learning and development to afterschool and summer programs.

helping the field support youth through trauma-informed practices and opportunities to build protective factors and minimize risk factors, such as substance use.

promoting exciting opportunities for students to explore career paths, STEM, civic engagement, and so much more.

TODAY WE ARE

Working with
50 state
networks

Communicating
with **100,000+**
afterschool supporters
and stakeholders

Sharing **250** blogs/year,
plus webinars, research
papers, and fact sheets
to support the field

Generating **1,850** media
stories a year, reaching
350 million people

Averaging **30,000**
contacts with
Congress a year

Join us as we continue our work to ensure that all
kids who want to participate have that opportunity.
