I feel that congress can stand up for our Beliefs
and join the caucus.

Why am I here? It's a question I have been asking
myself ever since I was asked to help Quality
Standards for after school programs. I had the
opportunity to work with Vpost in putting on focus
groups is when I realized why I'm here. I realized
I was here to stand up for the kids that could not be
here to talk to you today, but strongly Believe in
Quality after schools.

The Afterschool Alliance is a nonprofit public awareness and advocacy organization working to ensure that all children and youth have access to quality afterschool programs.
