## Why I'm here:

\* I believe that after school programs are essential to all communities.

\* These programs are fun, educational, they teach responsibility, and they give students the chance to experience different activities such as

1. white water rafting
2. Ropes courses
3. Kayaking

## What Congress can do:

\* Congress can keep after school programs running, Just support it

\* Make sure that after school programs have the correct amount of funding needed to keep it running smoothly.
