My Purpose:

I believe that afterschool programs are an essential part of bettering our youth. Afterschool programs have helped me learn and grow, and will help other students do the same.

What Congress Can Do:

Congress can support the bills that pertain to afterschool programming and ensure that the funding for quality afterschool programs will be available.

The Afterschool Alliance is a nonprofit public awareness and advocacy organization working to ensure that all children and youth have access to quality afterschool programs.
