Why I'm here:

I am on the AS220 youth board, I am here to help the youth to understand what the real world is like. Also provide help and more support they need.

What congress can do:

Help fund and support after school programs to give the youth another chance in life to search and have a great experience.

The Afterschool Alliance is a nonprofit public awareness and advocacy organization working to ensure that all children and youth have access to quality afterschool programs.
