

Support afterschool for all!

Julian Perez, age 16

Camden, New Jersey 08103

New Jersey Academy for
Aquatic Sciences

www.njaas.org

Why I'm here: To represent the course program as a whole
in asking for more funding to help the program flourish.

What Impact has it had?

The program has helped me stay out of the many negative
temptations and has guided me to be more responsible, has helped me learn
new info, I have never learned before and has taught me to gain a sense of
maturity and to never be close minded.

- Excursion
- Weekly meetings 3-4 days
- Summer Camp Teaching & work
- Training 7-8 months

What Can Congress Do:

• Fund more (MI) new and older after school programs to keep the kids and
state that move up the program more energetic to keep these programs
flourishing to help the un-privileged kids have an outlet to do more
educational things rather than being harmfully influenced.

- More funding - kids in afterschool programs that are doing
something educational instead of harmful or negative.

The Afterschool Alliance is a nonprofit public awareness and advocacy organization
working to ensure that all children and youth have access to quality afterschool programs.
