## Why I'm here:

- To let others know about our after school program.
- To explain how our youth program impacts our community.
- Afterschools programs are important to me because they open up so many doors like hiking in southern Utah.

## What Congress can do:

- Provide us with the support we need to keep our youth program open.
- We need the support so that way we can make sure our youth succeed and get a higher education.

The Afterschool Alliance is a nonprofit public awareness and advocacy organization working to ensure that all children and youth have access to quality afterschool programs.
