I am here to be a voice.

Afterschool is important because it benefits kids, not only educationally, but socially as well. After school programs help develop confidence as well as social and real-world skills. After school is a place for kids to feel safe. It also keeps kids out of trouble.

Afterschool changes lives.

I am the voice for those who don't have one.

Congress can be a voice too.

You, as a very important member of the legislative process, have the opportunity to help change lives. Kids are the next generation of our country and after school helps them by offering children the opportunity of a better future. You can help by voting/supporting Senate bill 326 and H.R. bill 4086.

Be a voice for those who don't have one. I am.

The Afterschool Alliance is a nonprofit public awareness and advocacy organization working to ensure that all children and youth have access to quality afterschool programs.
