Dear Friend of SHINE,

Please join us for the 17th *National Lights-On* celebration of afterschool programs on October 20, 2016. Celebrate with over one million Americans, as we call attention to the afterschool programs that keep our kids safe, inspire learning and help working families.

The students of the Carbon and Schuylkill County SHINE After-school programs are working very hard to prepare a presentation just to show how much they SHINE.

Please call and say you will join us! We look forward to seeing you on October 20th.

Sincerely,
Rachel Strucko
Director of SHINE
